Recommendations for tuition support can only be made **after** each of these actions have taken place. Tuition support is awarded after careful review of your family’s financial circumstances. An application for support does not guarantee that such support can be granted. Families must apply for each new school year as tuition support will not be renewed automatically each year.

The deadline for applying for tuition support is Friday, December 18, 2020. Funds are limited, returning families will have priority if they apply before the deadline.

New families: This application is only for Grant and Aid. You must also submit an application for enrollment to KCHS through the Admissions office. You must complete your application to the school and be accepted before funds will be awarded.
