ATTENDANCE AND BEHAVIORAL EXPECTATIONS: As a sign of respect, and in an effort to foster reverence and community, students are expected to attend spiritual functions at KCHS, including retreats, daily and all-school Masses, and Penance Services. Late arrivals, early dismissals or absences must not conflict with scheduled KCHS spiritual functions.

SPIRITUAL LIFE

"From the first moment that a student sets foot in a Catholic school, he or she ought to have the impression of entering a new environment, one illumined by the light of faith, and having its own unique characteristics." -The Religious Dimension of Education in a Catholic School

The religious dimensions of the Catholic school are the primary reason for our existence. In light of that, we strive to instill in our students knowledge of faith that promotes living the Gospel message.

CHAPLAIN: The Chaplain is accountable for the liturgical life of the school. This includes the daily celebration of the Eucharist, all-school Masses, and penance services. With the Religion Department, he provides the opportunity for spiritual direction, and opportunities for retreats for students and faculty. The Chaplain provides the administration, faculty and parents with opportunities to understand and support the Catholic Christian dimension of the school.

SPIRITUAL ACTIVITIES: KCHS is committed to the individual spiritual development of each student. The following are several of the elements which foster this growth:

1. Each class begins with a prayer, brief scripture reading, or meditation led by teacher or student. Each school day begins and ends with prayer.
2. Counseling and/or spiritual direction are offered to students to assist them in their efforts to grow in faith in God and to apply this faith to their daily lives.
3. Mass is celebrated each day in the Holy Trinity Chapel and regularly for the entire school.
4. Numerous opportunities for communal prayer are available throughout the school year. Any student may attend with teacher permission.
5. Retreats are conducted annually for individual classes. Retreat experiences, a fundamental part of the overall program, are not optional. Absences will be unexcused and make-up activities will be required.
6. The Sacrament of Penance is celebrated communally at appropriate liturgical times, monthly through Religion classes, and by individual appointments with one of the priests.
7. KCHS students are required to participate respectfully in the liturgy, and to complete assignments in religion class, whether or not they share the Catholic faith. Assignments including, but not limited to, reading, memorization, and recitation of Scripture, the Catechism, or other texts will not be waived on religious grounds, but will be treated as academic exercises for those who do not believe. Knoxville Catholic has a moral obligation to provide her students who are Catholic, as their right, and those who may yet believe with instruction in the doctrine and practice of the Catholic faith.

KCHS Service Program

Pope Francis has continually called all Christians to a deeper love of service. He has challenged and called all men and women of good will to live lives that demonstrate the love of God through a greater care of one's neighbor. At a Jubilee Audience, on March 12, 2016, Pope Francis stated:

I would like to reflect on Christ's words: "Do you know what I have done to you? [...] If I then, your Lord and Teacher, have washed your feet, you also ought to wash one another's feet" (Jn 13:12, 14). In this way Jesus indicates to his disciples that *service* is the way to live out their faith in him and to bear witness to his love. [...] By washing the feet of the Apostles, Jesus wished to reveal God's mode of action in regard to us, and to give an example of his "new commandment" (Jn 13:34) to love one another as He has loved us, that is, laying down his life for us. [...] Love, therefore, is the *practical service* that we offer to others. Love is not a word, it is a deed, a service.

It is love then that animates the KCHS service program. The KCHS Community cares for others because God has cared for them and loves them. That is the secret of Christian service.

SERVICE HOUR REQUIREMENTS

Hours can be accumulated starting May 26, 2017, for the 2018-2019 school year. Students are encouraged to complete as many hours as possible during the summer.

Freshmen and Sophomores are expected to complete a total of at least (10) hours during the year. There is no requirement for direct service.

Juniors and Seniors are expected to complete at least fifteen (15) hours. Of these fifteen hours, at least five (5) must be DIRECT service.

DIRECT vs. INDIRECT SERVICE

Direct service involves direct face-to-face contact of those being served. Examples of this are servicing food at a soup kitchen, tutoring a child, and working at the Under the Bridge Ministry for the homeless.

Indirect service is working for the *benefit* of those in need but with no person-to-person contact. This includes fundraisers whose proceeds go to help those in need. It also includes activities such as prep work at a soup kitchen or sorting clothes at Ladies of Charity. These are valuable forms of service, but they only indirectly help those who are in need. Students who have questions about the difference between direct and indirect service, may contact Father Manning at Father.Christopher.Manning@knoxvillecatholic.com.

Examples of actions that DO NOT COUNT (this list of examples is not exhaustive)

- Baby sitting
- Coaching or refereeing a local sports team
- Summer Camps or programs (i.e; a baseball camp, photography camp, art camp, Tates, etc.)
- Helping family members
- Working at a for-profit business

SERVICE vs. VOLUNTEERISM

There is a difference between the KCHS understanding of service and simple volunteerism. Just because a student is not getting paid does not mean that his volunteer hours will meet KCHS requirements for service. A student cannot get credit for service offered to family members. Working at a for-profit business such as a law firm or business will also not receive service hours. Volunteering at sports camps (or similar camps) does not count as service. The exception to this is if the camp is directed towards the underprivileged, the disabled, or is serving as a fundraiser for a charitable organization. This means that if the camp is raising money for the club, for uniforms, or for the coaches it **WILL NOT COUNT**.

Questions regarding eligibility of an activity must be submitted to Father Manning at Father.Christopher.Manning@knoxvillecatholic.com **prior to performing the project or camp.**

MISSION TRIPS

It is possible that preapproved, faith-based mission trips may count for two years of service. Students must consult the Chaplin before planning a trip.

DUE DATES

Students are required to turn in service hours throughout the year and not wait until the end of the school year to turn in all hours.

- All hours completed during the summer submitted by **September 6, 2018.**
- All hours completed during the 1st semester of the school year submitted by **February 1, 2019.**
- All remaining hours for seniors submitted by **April 17, 2019.**
- All remaining hours for underclassmen submitted by **May 10, 2019.**

CONSEQUENCES FOR UNFINISHED HOURS

Any student who has incomplete service hours from the previous year **MUST** complete those hours before he can receive any service hour credit for the current school year. **A student who does not complete his hours by the end of the school year will be ineligible to participate in extracurricular activities during the following school year. This includes, but is not limited to, athletics, robotics, coffee house, plays, all Spirit Week activities, etc. A student may have this right reinstated upon completion of the hours that he owes.**

Seniors who do not complete their hours **will not be able to walk at Graduation and will have their transcripts held** until all owed hours are turned in.

PRESIDENTIAL SERVICE AWARDS

Every year, KCHS awards "The President's Service Awards." These awards are granted to those students who have gone above and beyond in their commitment to serve the wider community. The governing institution, as opposed to KCHS, sets the requirements for this award. This includes, but is not necessarily limited to, completing at least 100+ hours of service. The student is responsible for keeping track of his own hours and making sure that KCHS is aware that he qualifies for this award. **Completed hours must be turned in by the beginning of February.** Hours for The President's Volunteer Service Awards must take place during the 2018 calendar year.

LOGGING OF HOURS

Beginning in the fall of the 2018-2019 school year, KCHS will require that students utilize their electronic devices to log and track their own service hours using an app called Mobileserve. Hours will require verification from the agency or event coordinator plus one other form of verification

(digital signature, photo, or geo-location). KCHS will provide information in the fall about how to log in and use Mobileserve.

Because students will not have access to Mobileserve until the fall, students who choose to perform service work this summer will need to provide Father Manning the traditional paper copy of those hours by the September 6th deadline. For rising sophomores through seniors, the service hour logging form can be accessed as always through RenWeb / Resource Documents. Rising Freshmen may have the agency's service representative provide the student the agency's name and date, description, and number of hours performed.

The summer service form must be signed by a member of the agency where service was completed. Parent's signatures will not be accepted. **These forms must then be taken to the school Chaplain, Fr. Manning, who will sign the form and mark either direct or indirect hours (for Juniors and Seniors). Father Manning will log all approved summer hours submitted to him by September 6th.**

B	85 – 92	3.0	3.5	4.0
C	75 – 84	2.0	2.5	3.0
D	70 – 74	1.0	1.5	2.0
F	0 – 69	0.0	0.0	0.0

GRADE POINT AVERAGE: Though weighted and unweighted grade point averages are calculated for each student; the official transcript lists only the weighted GPA. Each course taken earns quality points depending on the grade earned in that course and the level of difficulty of the course. Only those courses designated as Honors or AP level receive *additional* quality points. Honors courses (designated H) receive ½ additional quality point. Advanced Placement courses (designated AP) receive 1 additional quality point.

- **The Unweighted Grade Point Average (UGPA)** is cumulative and computed each semester by dividing the total unweighted quality points earned by the total number of courses attempted for the semester. Exceptions to this calculation method are Pass/Fail courses, which do not calculate into the UGPA or GPA
- **The Weighted Grade Point Average (GPA)** is also cumulative and computed each semester by dividing the total weighted quality points earned by the total number of courses attempted for the semester. Exceptions to this calculation method are Pass/Fail courses, which do not calculate into the UGPA or GPA. The GPA takes into account the level of difficulty of courses as outlined above.

Example Calculation of Weighted GPA (Quarter or Semester)			
Religion 1 CP	98/A	4.0	quality pts
English 1H	92/B	3.5	
Algebra1 H	95/A	4.5	
Biology 1 CP	93/A	4.0	
Spanish 2H	83/C	2.5	
HumGeo AP	85/B	4.0	
LW PE CP	100/A	4.0	
Stdy Hall	P	0.0	
Total quality pts 26.5			
Total classes 7			
Weighted GPA 3.79 (Quarter or Semester)			

Semester averages are calculated as follows: Quarter 1 (or 3) = 42.5%; Quarter 2 (or 4) = 42.5%; Semester Exam = 15%.

Quarter and Semester grades automatically convert to the closest whole number. For purposes of semester calculation, only whole numbers are used.

CLASS RANK: Class rank is **not** released nor is it published on individual transcripts. Class rank is kept internally for purposes of determining selected Junior and Senior level honors. A general description indicating low, middle and high range GPA's of the graduating class's rank is sent to colleges via the KCHS profile.

HONOR ROLL:

Honor Roll is designated on a quarterly basis. Two Honor Rolls are recognized at KCHS:

President's List: All A's for the quarter

First Honors: 3.5 – and above Weighted GPA

TRANSCRIPTS: Each student has a transcript that contains each course attempted and number grade earned beginning with grade 9. Any course that was failed is noted on the transcript and is not removed if the student repeats the course. Transfer students who received greater than a 100 average at a former school, will be assigned an average of 100 when the grade is transferred to the KCHS transcript.

Only the weighted GPA is included on the transcript. Standardized test scores are the sole property of the student and are not printed on the transcript. It is the student's responsibility to have test scores sent directly from the testing agency to the institution(s) of his choice.

A transcript is mailed upon request from the parent (if the student is under eighteen years of age) or student (if over eighteen years old) to colleges or employers. Requests for transcripts of currently enrolled students may be made through the Guidance office. Transcripts for alumni are sent through the main office.

Senior transcripts listing scheduled courses for the senior year are sent in the fall **after the drop and add period has passed and schedules are finalized**. Final transcripts will be sent after graduation to the college the student designates. **DSP #1440 & #1460**.

The State Board of Education Uniform Grading Policy Grade Point Average: (SBE UGP GPA) is used exclusively for submission of student grades to the Tennessee Student Assistance Corporation (TSAC) for state scholarship funding consideration upon the completion of high school graduation. TSAC uses this GPA for the sole purpose of awarding the HOPE Scholarship and other state-funded awards. This GPA is cumulative and computed each semester by internally adding points to each semester average (3 points to all Honors courses and 5 points to all AP courses). Exceptions to this calculation method are Pass/Fail courses, which do not calculate into the SBE UGP GPA. Under TSAC guidelines, the SBE UGP GPA will never exceed 4.0.

REPORT CARDS/RENWEB UPDATES: Grades are updated weekly on RenWeb. Late work should be graded and entered in RenWeb within one week of student submittal. Notification of failing grades will be posted on RenWeb through weekly updates. It is the student's and parent's responsibility to check RenWeb for low grades. Parents who experience problems with grade updates from individual teachers should contact the teacher directly or the Academic Dean at 560-0522.

To meet graduation requirements, the Personal Finance class may be taken during any high school year but is most beneficial to the student if taken during junior or senior year.

To receive the extra ½ credit of PE required for graduation, a student may take an additional PE course, take Weight Training, play a school sponsored sport (e.g. football, softball), or participate in a school sanctioned activity (e.g. lacrosse, rugby). Students may also receive credit for 65 hours of physical activity outside of the school system during one academic year (e.g. rowing, dance). ALL students earning this credit outside of a KCHS sponsored sport or outside of KCHS PE or weight training courses are required to submit an Athletic Participation Verification Form (obtainable from a School Counselor/Advisor).

Example: A student playing KCHS Basketball would not have to submit an Athletic Participation Verification Form, but a student playing club basketball would submit the form.

The Athletic Participation Verification Form must be submitted to the School Counselor/Advisor by the first day of 2nd semester exams. Transcripts will be updated with a grade of 'Pass' to reflect the ½ credit.

DIPLOMAS: Given the fact that KCHS does not modify its curriculum, all KCHS graduates receive the same diploma. Alternate diplomas are not issued.

EARLY GRADUATION: Students with exceptional academic or athletic opportunities must contact the President regarding possible early graduation by April 1st of the junior year.

GRADUATION POLICY REGARDING SENIOR RELIGION

Senior Religion courses are separate semester courses. The semester courses are NOT averaged together to produce a final yearly average. (A Senior who fails 1st semester may NOT bring up his yearly average with a higher 2nd semester grade.)

A Senior who fails *any* Senior Religion course will NOT be allowed to participate in graduation ceremonies (“walk”) unless he/she has completed remedial course work. In order to be eligible to participate in graduation ceremonies, the remedial course work for a 1st semester failure must be completed and returned to the assigning teacher by the last day of the 3rd quarter.

A Senior who fails a 2nd semester Religion course will NOT be allowed to participate in graduation ceremonies and will receive his diploma only after remedial course work is completed over the summer. Summer course work must be completed and returned to the main office by July 1st. The student’s name along with the appropriate teacher’s name should be printed on the packet. The teacher will review the work to determine if the student has earned a passing grade. A diploma will be awarded once the student has passed the course.

ACADEMIC POLICIES

RELIGION CURRICULUM: KCHS students are required to participate respectfully in the liturgy, and to complete assignments in religion class, whether or not they share the Catholic faith. Assignments including, but not limited to, reading, memorization, and recitation of Scripture, the Catechism, or other texts will not be waived on religious grounds, but will be treated as academic exercises for those who do not believe. Knoxville Catholic has a moral obligation to provide her students who are Catholic, as their right, and those who may yet believe with instruction in the doctrine and practice of the Catholic faith.

RENWEB/MOODLE REQUIREMENTS: RenWeb, the school information system (SIS), is the official depository and source for grades, attendance records, disciplinary records, and class schedules. Moodle, a learning management system (LMS), is used to deliver course content such as homework, lesson plans, and quizzes to students.

Faculty members are required to post grades on a weekly basis, though projects and longer writing assignments may take later to post. Faculty members are required to post homework assignments on Monday of each week.

MOODLE REQUIREMENTS AND SCHOOL CLOSURE: Teachers who have consistently used Moodle throughout the course to post assignments, or who have clearly communicated and reminded students of posting policies in ample time before a school closure, may choose to post assignments during school closure events (e.g., illness/weather). It is the student's responsibility to complete the teacher's clearly posted assignments on time.

Parents who experience problems with updates from individual teachers should contact the teacher directly or the Academic Dean if the problem persists.

MAKE-UP WORK: Each teacher informs students (via the course syllabus) of policies regarding make-up work due to absences. Personal responsibility and self-discipline are an integral part of every maturing person's life. Consistently late or incomplete work may reflect a misunderstanding of responsibility and maturity. It is the responsibility of the student to contact the teacher to obtain all work missed. When students have approved absences, teachers will provide remedial help.

GRADE CHANGES

- No grade may ever be assigned to a student by any teacher except the teacher who has the student in that specific class in that specific subject.
- No grade may ever be changed or re-evaluated by any teacher except the one who has the student in that specific class in that specific subject.
- Requests for grade changes and/or re-evaluation of the academic performance of a student may be submitted in writing to the Academic Dean for consideration.

COURSE SELECTION SHEETS/SCHEDULE CHANGES: KCHS teachers, school counselors, and administrators go to great lengths to properly place students in each core subject area for the coming school year. Requests to drop listed electives are rarely granted. If a student has listed a course on his course selection sheet, the course is considered 'fair game' to assign to the student. All elective courses requested by the student at the time of course selection will be scheduled, in their order of

preference, as the master schedule allows. Students should choose these courses very carefully. Listing an elective on the course selection form indicates that the student is willing to take the course.

Classroom teachers, the School Counselor, and the Academic Dean must approve any schedule change. A student has two weeks from the first day of school (ten school days) to drop or add a class or change course level. There is no drop/add period for spring semester. A student who drops from an AP course is not automatically placed in an Honors level course. If a student withdraws from a class (passing or failing) after the Drop/Add period, this is recorded on the student's permanent record (WP--Withdrew Passing or WF--Withdrew Failing).

Examples of acceptable reasons for schedule changes:

- The teacher or school counselor feels that the student is misplaced academically.
- The student must choose an alternative elective because of scheduling conflicts.

Once a student commits to a replacement elective, he will be required to remain in the course.

Examples of unacceptable reasons for schedule changes:

- The student wishes to withdraw from a class due to GPA considerations.
- The student does not like the teacher or class.
- The class interferes with a job or extracurricular activity.
- The student wishes to change classes to be with friends.

KCHS reserves the right to hold schedules for the upcoming year if balances remain from the previous school year.

Course Overrides: Though it is not recommended, it is possible for students and parents to override a teacher recommendation. Data collected from KCHS students who have chosen to override a teacher recommendation shows that overriding a course is not advantageous to the GPA of the majority of students. This is particularly true in mathematics courses. Due to staffing and master scheduling constraints, course overrides are due before the end of the first week in June

Requests for overrides generally take place in the last week of school and no later than the day before students receive their yearly schedule. Overrides received after July 31 are considered on a case-by-case basis. Staffing restrictions may limit overrides.

When overriding a course, the family must meet with the appropriate School Counselor. At this time the family acknowledges in writing that they agree to seek, if necessary, additional resources, including tutoring, to help the student through the course. If the student is on the KCHS Census (a list of students who receive special accommodations per an individual Student Support Plan), the family acknowledges that no additional accommodations will be provided beyond what is already on the current Student Support Plan (SSP).

The administration reserves the right to make the final decision in cases where an override happens in consecutive years. For example, a sophomore who overrides from Algebra 2CP into Algebra 2H, scores poorly, and in his junior year wants to override into Geometry H, may be denied.

Overrides to take double math in freshman or sophomore year are not granted.

Overrides from one *course* to another are not permitted (e.g., Alg1H to Alg2H; Span1H to Span2H).

Overrides to opt out of English Enrichment or Research and Science Skills courses are not granted.

Overrides to AP courses are not granted

SEMESTER FAILURES: If the first semester grade average is below 70 and the second semester average raises the yearly average to 70, then the student passes for both semesters; however, if the first semester average is 70 or above and the student fails the second semester, the second semester grade remains a failure, and no credit is given for the course. The failure is noted on the transcript and is not removed if the student repeats the course. First and second semester grades are changed by the Administration to appropriately reflect pass/fail status for the entire year.

SUMMER SCHOOL: No summer classes are offered at KCHS. Students failing any course other than Religion must arrange to attend a credit recovery program at Oak Ridge High School **and** pass the 2nd semester KCHS final exam for the failed course. The highest attainable grade recorded on the KCHS transcript for a failed KCHS class is 84%.

In general, arrangements for the month-long credit recovery program need to be made in mid-May. Students must register in advance to take the KCHS semester exam and are granted up to three (3) opportunities to pass the exam. Parent and students must contact school counselors for more detailed information. NCAA has its own regulations regarding acceptance of credit. If a student will need credit for the failed class with NCAA, the student must meet with his school counselor by the end of May.

Seniors failing Religion courses must review policy on remedial work and graduation (see previously outlined policy on Graduation Policy regarding Senior Religion). Underclassmen failing Religion courses must complete a make-up packet designed by the teacher of the course. The teacher sets the due dates for packet completion.

ON-LINE COURSES: Courses are offered as enrichment to the KCHS curriculum and may not be used to replace or substitute for a KCHS course. A course may not be taken as a stepping stone to a course offered at KCHS but may be taken as a course beyond what is offered. These courses do NOT count toward KCHS credit or the KCHS GPA and are not generally listed on the KCHS transcript. Any student considering an online course must meet with his/her counselor in the preceding spring to discuss the situation. It is the responsibility of the student to check with individual colleges to ensure that they will accept the specific on-line course credit.

PROBATION: A student failing any one course will be subject to review by the Student Review Committee which is comprised of Administrators, School Counselors, and Disciplinarians. This committee meets in early June each year and in early January to examine overall trends in a student's academic performance. The committee may opt to put a student on Academic Probation for the upcoming semester. Parents of students on Academic Probation will receive a letter from the Academic Dean in June or in January depending on the date the student is placed on probation.

In order for Academic Probation to be lifted, a student may not fail more than one course at the end of his probationary year. Failing more than one class at the end of the year while on Academic Probation will result in immediate dismissal from Knoxville Catholic High School.

A student who has not been on Academic Probation but fails more than two courses in one year is in grave danger of not returning to KCHS.

PLACEMENT OF STUDENTS IN CURRICULUM LEVELS: The Admissions Department administers a standardized placement test to determine the proper academic placement for each incoming freshman. Additional content specific placement tests in Math and Foreign Language may be administered, and foundation school students complete a timed writing prompt under the direction of a KCHS English

teacher. Previous grades and recommendations from former teachers, together with the test results and application essays, are used for placement. Courses other than Honors and Advanced Placement are taught at the regular academic level with teacher supervision and some degree of independent study. Honors courses are taught with minimal supervision and require more independent study. Advanced Placement courses offer an opportunity for college credit with minimal supervision and an emphasis on independent study. KCHS faculty members recommend students for the next year's placement based on demonstrated abilities that include, but are not limited to, standardized test scores, work ethic, maturity, and past performance.

AP APPLICATION PROCESS

This process is designed to allow students the opportunity to apply for a variety of classes and to gain experience in the general process used for college applications. Guidelines and applications are available on RenWeb. Applications are generally due in late January or early February. AP teachers consider the following when recommending placement in AP courses: grades to date, standardized test scores, teacher evaluations, and the application essay, if required. Individual AP teachers, under the direction of the President, have the final say in determining class rosters for those courses. Course overrides are not allowed in AP courses. Juniors and Seniors are limited to five (5) AP courses per year, with study hall strongly advised. Sophomores are advised to take only two (2) AP courses, though they may discuss an option for a 3rd class with their counselors. Freshmen are limited to one (1) AP course.

EXAMS

Exams for every class are given at the end of each semester. Exams count fifteen percent (15%) of the semester average, and each quarter's work counts 42.5% of the semester grade. Quarter and Semester grades automatically convert to the closest whole number. For purposes of semester calculation, only whole numbers are used. Except for exam conflicts due to KCHS tournament playoffs, exams are given only on DESIGNATED EXAM DAYS. A written request for exceptions must be submitted to the Academic Dean **at least one month prior to the scheduled exam.**

EXAM DAYS:

1. Students must be in uniform unless otherwise permitted by the Administration.
2. Students must have a fully charged, fully functional computer in classes in which the exam will be given via computer. Failure to comply will result in academic consequence of the teacher's discretion to the exam grade.
3. Students may not go to their lockers or be in the halls during the scheduled exams.
4. Students will not be released from class before the end of the scheduled exam period.
5. Seniors who have only one exam scheduled may adjust arrival and departure times as needed but may not leave an exam period early.

EXAMS FOR ADVANCED PLACEMENT (AP) COURSES: All AP students are required to take the 1st semester exam *and are also required to take the AP Exam.* Students who do not take the regularly scheduled AP Exam are expected to be present for the make-up exam session (scheduled by the College Board). Students are not required to attend any other classes on the day their AP exam is scheduled

ATTENDANCE AFTER AP TESTING: The completion of the AP exam signals the end of academic instruction for the students in that course. A student who has an AP class that falls at the beginning or end of the day's rotation is not required to attend the class, and he may choose to arrive late or check out early to accommodate the missed period(s). If a student chooses to remain on campus for one of

these sanctioned late arrival or early dismissal days, he is required to be in the AP classroom or in the area designated by the Administration.

AP Exams - Late Testing: Late testing is an option only under specific circumstances that are set by College Board (listed below). Additional fees will apply. There is a \$75 proctor's fee for all late tests. Some of the reasons for late testing listed below will incur an additional \$45 fee per exam.

If a student must test late due to "serious injury" or "illness", a detailed physician note must be presented the day of the test. Details must include diagnosis and date of visit. Please note that "under a doctor's care" will not be sufficient. The student must schedule a late test by emailing the AP Coordinator as soon as the student knows there is an allowable conflict. If the student is sick the day of the exam, he must inform the front office by phone before the exam begins. Eligibility for late-testing will be determined on a case-by-case basis.

Acceptable reasons as controlled by College Board to warrant late testing and waive \$45 exam procurement fee (Depending on the number of students affected, the \$75 proctoring fee may still remain in place):

- Disabilities accommodation issue
- Emergency: bomb scare or fire alarm
- Emergency: serious injury, illness, or family tragedy
- Language lab scheduling conflict
- Religious holiday/observance
- School closing: election, national holiday, or natural disaster
- Strike/labor conflict
- Three or more AP Exams on same date
- Two AP Exams on same date and time

Students who miss an exam for the following reasons will be charged an additional \$45 fee per exam and will also incur the \$75 proctoring fee:

- Academic contest/event
- Athletic contest/event
- Conflict with non-AP and non-IB exam
- Family commitment
- Ordering error
- Other school event
- School closing (local decision, non-emergency)

A student must make plans to take the current year's AP exam or he receives a zero in the place of the second semester exam grade (15% of the semester 2 average). Regardless of attendance or grades, no second semester exams are given in an AP class.

Students who wish to take an AP exam in a course that is *not offered at KCHS* may do so but will not receive any KCHS credit for the course. Because AP exams are ordered early in the school year, students interested in pursuing this option must contact Melinda Kirk in writing in the fall prior to taking the exam in the spring. Students are not allowed to take an AP exam for a course offered at KCHS unless they have been enrolled in the course. (For example, a student who has not been enrolled in French AP but decides he would like to 'try' the exam without taking the course, will not be allowed to do so.)

Fees for the exams are billed on the KCHS monthly statement. With each exam fee set by College Board at just under \$95, students taking multiple AP exams incur significant fees. Parents may contact a School Counselor, the Assistant Business Manager, or the Academic Dean regarding financial hardship. Parents may opt to pay fees all at once at the beginning of the year or may opt to have payments spread out over the course of the academic year. All fees are due by the end of April.

MAKE-UP EXAMS IN NON-AP COURSES:

- The Administration may allow make-up exams for students with extenuating circumstances who have submitted requests to the Academic Dean at least *one month in advance*.
- **Make-up exams due to non-school related circumstances are usually taken after the regularly scheduled exams.**
- In general, it is the responsibility of students who are ill, or who have been previously excused by the Administration, to make arrangements with teachers to make up their exams.
 - 1st semester make-up exams are given by the teacher within the first week of the second semester.
 - 2nd semester make-up exams are given by the teacher no later than the first two days after school is dismissed for the year.
- Any incomplete quarter grades must be complete within two (2) weeks of the beginning of the next quarter.
- An incomplete may not be given the second semester unless approved by the Administration.

EXEMPTIONS FOR SENIORS: All Seniors in year-long courses must take exams at the end of 1st semester, but may, if qualified, be exempt from 2nd semester exams in year-long courses. Seniors in semester-long courses may earn exemption regardless of the semester. Semester exam exemptions from 2nd semester year-long courses may be granted at the discretion of the teacher to Seniors who have met the following criteria:

- maintained an average of 95 or above for the semester;
- incurred no more than 5 days absent and/or tardy per class, per semester;
- exemplified conduct that has been entirely satisfactory;
- incurred no suspension in the current semester. (A student suspended 1st semester may not be exempted from a 1st semester exam, but if conduct has improved and no other suspensions are recorded in 2nd semester, he may be exempted from a 2nd semester exam.)
- met other exemption standards as outlined by the teacher's class syllabus.

TOURNAMENT PLAY: Students in any grade level who have semester exams that conflict with school sponsored tournament play or school-sanctioned travel associated with tournament play may be exempt from the exam(s) if they have met the criteria outlined in the above bullet points. Students who have not met the criteria for exemption may arrange mutually convenient times with the teacher to take finals early or late. Exam exemptions are not approved for students involved in club-sponsored tournament play and travel

BOY'S STATE AND GIRL'S STATE DELEGATES: Boy's State and Girl's state delegates whose quarter 3 and quarter 4 average is a 95 or above, and who have met attendance requirements in the class, may be exempt from a Semester 2 exam if the exam conflicts with the event date.

GUIDANCE DEPARTMENT

The KCHS Guidance Department offers a full range of academic, college, social, and career counseling services for students throughout high school. This office also handles scheduling and student records. The KCHS website (www.knoxvillecatholic.com) has a full description of services offered.

School Counselors schedule individual appointments with students at least once per year. Students are encouraged to make additional appointments as needed. Students may make appointments in one of four ways:

1. Speak with the Guidance Assistant
2. Sign up on the sheets listed on the individual School Counselor's door or request an appointment through Mrs. Ferowich (in the main office) to see the Freshman Advisor
3. Leave a note with the Guidance Assistant
4. Send an email to the School Counselor/Advisor

School Counselors/Advisors are available for parent meetings by appointment.

THE LEARNING CENTER

The Learning Center, located in the Guidance Suite, works to serve the needs of students with Student Support Plans (SSP's) (504 accommodations) who may require alternative or additional help with assignments. The Learning Center is staffed by the Coordinator and a part-time assistant. Students are typically sent to The Learning Center by the classroom teacher to test in a small group or private setting or to work on particularly challenging assignments. Students may be considered as candidates for a Study Skills class upon recommendation by the Learning Center Coordinator. This course is designed to help students with study habits and organization.

The Learning Center also works with parents to keep paperwork and evaluations up to date. Parents who believe their student might be experiencing learning problems beyond the norm, may contact the school for more information on learning assessment services which are contracted out through a private agency.

KCHS has developed a resource program over the years to include as many students of varying abilities as possible; however, all of our students are fully included in the classroom and need to be able to function with supports in place that do not require a one-to-one student/teacher ratio for implementation. KCHS does not offer a comprehensive developmental program and is not equipped to handle severe learning disabilities, behavioral/emotional disorders, or other conditions that require a modified curriculum or intensive behavioral support.

STUDENT ASSISTANCE PROGRAM

In keeping with the school mission statement, KCHS offers treatment to any student who, by word or action, indicates a need for special counseling. The Student Assistance Program (SAP) provides a confidential setting for students to talk with qualified professionals about personal concerns. Students may receive information about scheduling appointments from the School Counselors. Any student, teacher or staff member may recommend another student to SAP. Appointments usually take place during school hours. Per Tennessee Law (33-8-202), students who are aged sixteen or over may be seen without parental consent.

FRESHMAN SEMINAR

The Freshman Seminar experience seeks to create small-group settings in which students are exposed to pertinent topics regarding the many new experiences and opportunities that student life at KCHS entails. The experience is designed to help students gain knowledge, confidence, and independence as they navigate high school.

Freshman students meet in co-ed groups twice a month with a designated moderator of their class and an upperclassmen Irish Ambassador or a peer mentor. Included among the topics in the Freshman Seminar curriculum are: transitioning to high school, healthy relationships, time management, digital citizenship, using gifts and talents, KCHS traditions, preparation for college, leadership, academic success, and dealing with moral and ethical dilemmas.

KEEPING KIDS SAFE

Knoxville Catholic High School, in conjunction with The Diocese of Knoxville, is committed to providing a safe environment for all who worship, work, or participate in education and formation opportunities. The problem of child sexual abuse is a serious one. While child abduction by strangers attracts dramatic media attention, the majority of abusers are family members and trusted friends.

Providing resources to parents is the first step to protecting students. Empowered parents can develop and maintain an environment of trust in the home that allows children to discuss any topic, any fear, and any experience they are having. Potential abusers will avoid children who have such an open and honest relationship with their parents because abusers depend upon secrecy to avoid suspicion.

On the other hand, perpetrators target children who are most vulnerable to their methods, such as those looking for affection or attention. As one convicted sex offender chillingly told an audience of parents, "If you won't give your kids any attention, I will." Parents must be especially alert to any older child or adult who takes a particular interest in your children, tries to spend time with them in isolation, and seems to lack healthy relationships with his or her peers.

The Diocese of Knoxville and Knoxville Catholic High School are committed to reporting to law enforcement every known or suspected instance of child abuse. When we respond through proper intervention, we provide hope for children to lead healthy and happy lives.

What to Say to Youth (through high school):

- Contracts signed by minors are not legally binding without parental consent.
- You must get our permission before you accept a job from anyone.
- Walk with confidence and purpose in public. Be alert and aware of your surroundings.
- Dating should be a fun experience and you should never allow yourself to be coerced into doing anything that you know is wrong.
- It is okay to be rude to someone who is trying to get you to do something that is wrong.
- “Date rape” accounts for the majority of teenage rapes. Just because you are on a date does not mean that you cannot say, “No.” When you say, “No,” that response should be respected.
- Never leave an opened can of soda some place where you can’t see it. Get your own drink so you know exactly what is in it. If you start to feel sick or dizzy, tell a friend to call us immediately and we will come and get you, no questions asked.
- Perpetrators rely on our tendency to avoid making scenes in public; it is okay to make a scene to stop someone from taking advantage of you.
- If you are ever in an uncomfortable situation and need a ride home, call us and we will pick you up – and you will not get in trouble.
- Never do anything with your peers that you would not do if we were present, or if you were alone. “Group think” is usually not wiser than an individual’s independent thinking.
- Never give personal information over the Internet. Never agree to meet anyone you have met through the Internet.

Best Practices for Parents:

- Make time to communicate with your children- and do not forget that the most important part of communication is listening.
- Be familiar with your children’s friends and activities. Know where they are and with whom they are spending time.
- Acquaint yourselves with the family composition of the homes where your children spend time. Is there adult supervision? Are there older brothers and/or male teenagers around: Does the single mom have a boyfriend present?
- Screen babysitters carefully; check references before entrusting your children to anyone.
- Never force children to touch, hug, or kiss someone whom they do not want to.
- Perpetrators start young; be aware of any children who violate the boundaries of other children. Older siblings perpetrating on younger siblings is a common form of child abuse.
- Teach your children to trust their instincts and give them permission to say “No” to what they think is wrong.
- Teach your children that a good secret is one that will eventually be told, like a surprise party. Bad secrets are often used to cover up wrongdoing.
- Understand that abusers often build trust with parents for the sole purpose of gaining access to their children.
- Teach your children to tell you if anyone makes them feel uncomfortable or touches them inappropriately – and believe them if they do.
- Be alert to your child’s expressing fear of sudden dislike of someone.
- Monitor your children’s Internet use and keep computers in a public area of the house.
- Be sensitive to changes in your children’s behavior; talk to them about the changes when you notice them.

SELECTION FOR STUDENT COUNCIL LEADERSHIP BOARD: The student council, comprised of representatives from each grade level, is elected in the spring semester by the student body. Student Council members will serve a one-year term, from August to May of the upcoming school year. Members will be eligible to run for re-election if they have upheld the high standards of the Student Council with regards to attendance, discipline, and academics.

Student Council will meet once per month at minimum, and some months will have a heavier time commitment (for example, the month in which Spirit Week falls). All Student Council meetings and activities are mandatory. Missing two or more meetings or events is cause for dismissal from Student Council.

Interested students must complete an application, obtainable on RenWeb under the Resource Documents tab. Requirements include:

- An attendance report that demonstrates few tardies and absences. *
- An Honor Code report that demonstrates no major violations and no more than 4 demerits in the previous calendar year. *

Once all applications are submitted, the student council faculty moderators review each applicant concerning aspects such as classroom behavior, effective leadership qualities, maturity, timeliness,

interactions with peers and adults, and overall recommendation for a position on the Student Council Board. The selection committee passes names of vetted candidates to the student body for voting.

Any student failing to fulfill obligations as defined by the Student Council or class moderators, or as defined above, may be removed and another student may be appointed to fill the vacancy.

CLUB OFFICERS' ELECTIONS: Elections or appointments for the offices of other major clubs are the responsibility of each Club Moderator. - Skipping a class or a school sanctioned event – 5 demerits, second offense – suspension
Unlike days missed for suspension where students are allowed to make up missed work, students who choose to skip a class receive a zero (0) for missed work.
- Skipping daily or all-school Mass – 5 demerits, second offense - suspension

- Skipping a day of school – 10 demerits and suspension, second offense – expulsion
- Disrespect to teachers, staff, or peer by word, gesture, or action – subject to 10 demerits, suspension or expulsion
- Possession of tobacco or related products – subject to 10 demerits or suspension (see next page)
- Fighting – 10 demerits and potential suspension or expulsion
- Bullying, harassment or hazing of another student - subject to 10 demerits, suspension or expulsion
- Defacing school property – subject to 10 demerits and suspension or expulsion
- Possession of a weapon - subject to expulsion and notification of law enforcement officials
- Stealing – subject to 10 demerits, suspension or expulsion, and notifying police
- Alcohol and other drug use on campus subject to 10 demerits (see additional details under the Substance Abuse section of this handbook)
- Distribution or sale of drugs or alcohol will result in expulsion (see additional details under the Substance Abuse section of this handbook)
- Inappropriate computer use including bypassing filters (i.e. ‘tunneling’) – 5 demerits
- Unauthorized use of the KCHS name or the names of faculty and staff – subject to 10 demerits, suspension or expulsion.

DETENTION: School detentions are assigned by the appropriate class disciplinarian following a school discipline referral. When scheduling detention days, disciplinarians make every effort to accommodate student commitments such as work schedules and doctor’s appointments. Detention is held for one hour (3:20-4:20 p.m.) after school in room B206. Detention takes precedence over all non-academic activities. Students who forget or cut detention are subject to additional demerits and detentions. Students who owe detention time at the end of the school year will be required to make up the time by working at the school during the summer.

SUSPENSION: Students may be suspended for any act that, in the judgment of the administration, detracts from the learning environment prescribed by the mission of the school. Additionally, any student who accumulates **20** demerits will be suspended for 1 day and placed on disciplinary probation for the remainder of the current year and through the following year. The Administration will determine the conditions of the probation.

The Academic Dean will deduct two (2) points from the quarter average in each of the student’s seven courses for the first day of suspension and one (1) point per subsequent and sequential day of suspension. Therefore, even if the student did not miss a particular class on the day he served the suspension, he is still docked the points. A student who is suspended on two separate occasions within a school year will incur at least a two-point deduction for each event. The student will be held responsible for all academic content covered. The student **is** allowed to make up and receive grades for any work or tests missed. Students with borderline grades need take special notice that a suspension may cause a failing quarter grade. A student with a 71 average for the quarter will fail the course with a 69 if he has been suspended for 1 day.

A student suspended 1st semester may not be exempted from a 1st semester exam, but if conduct has improved and no other suspensions are recorded in 2nd semester, he may be exempted from a 2nd semester exam.

During the period of suspension, students are not allowed to attend or participate in any co-

curricular activities. Students who are suspended will not be allowed to return to school until a parent/guardian has met with a school administrator.

DISCIPLINARY PROBATION: Students who are experiencing discipline difficulties are subject to review at the year's end by the Student Review Committee. This committee, consisting of the Administration, Disciplinarians, and Counselors, determines if the student will be placed on disciplinary probation for the upcoming school year. Failure to comply with the strict guidelines established by the probation will, at the discretion of the President, result in dismissal from school. Students may be placed on probation as the result of one serious violation or an excessive number of demerits. The school considers the implementation of disciplinary probation for any student who receives more than 15 demerits during the year. The Administration will determine the terms of the probation.

EXPULSION: Students who accumulate 30 demerits during a single academic year or demonstrate behavior that is judged to be detrimental to the school community will be asked to leave Knoxville Catholic High School. If a student is expelled or asked to leave the school for disciplinary reasons, he or she may not participate in or attend any school-sponsored activities (i.e. home sporting events, Coffee House, choral concerts, robotics events, etc.) without the President's or Dean of Students' permission.

HARASSMENT AND HAZING: In keeping with our mission of fostering a faith community characterized by the Gospel message of mutual respect, the following are considered to be serious violations: physical fighting, hazing, personal harassment, inappropriate social media posts or texts, etc. Where reasonable doubt exists as to the aggressor, all of those involved may be subject to the same penalty.

Hazing is defined as "an abusive, often humiliating form of initiation into or affiliation with a group, including:

1. Any willful action taken or situation created which recklessly or intentionally endangers the mental or physical health of another.
2. Any willful act by any person alone or acting with others in striking, beating, bruising or maiming; or seriously offering, threatening, or attempting to strike, beat, bruise or maim, or to do or seriously offer, threaten or attempt to do physical violence to another made for the purpose of committing any of the acts.

The term hazing does not include customary athletic events or similar contests or competitions and is limited to those actions taken and situations created in connection with initiation into or affiliation with any organization" (<http://definitions.uslegal.com/h/hazing/>). Hazing is associated with initiation rituals and often includes harassment.

Harassment, in general terms, is conduct so severe, persistent, or pervasive that it affects the student's ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile or offensive educational environment; or substantially interferes with the student's academic performance.

Examples of harassment may include, but are not limited to, offensive or derogatory language directed at a person's religious beliefs or practices, accent, skin color, or need for accommodation; threatening or intimidating conduct; offensive jokes, name-calling, slurs or rumors; physical

aggression or assault; graffiti or printed material promoting racial, ethnic or other negative stereotypes; or other kinds of aggressive conduct such as theft or damage to property. Harassment is often, but not always carried out via social networking sites.

PUBLIC DISPLAYS OF AFFECTION (PDA'S) – “A public display of affection (PDA) is the physical demonstration of affection for another person while in the view of others. Holding hands, hugging or kissing in public are common forms of public displays of affection” (http://en.wikipedia.org/wiki/Public_display_of_affection).

While such demonstrative gestures are not necessarily objectionable actions unto themselves, students are urged to consider the correct time, place and degree of such public behavior so that they may show respect for themselves and others. The KCHS campus is a public environment. A PDA becomes objectionable when it leads students away from God’s desire of sanctity and holiness for them, and when it distracts and/or offends others. Students engaging in offensive PDA’s will be warned about the behavior, and if subsequent offensive PDA’s occur, they will be subject to disciplinary action.

NON-SCHOOL SANCTIONED EVENTS: KCHS will not be responsible for any event that is not officially sanctioned by the Administration.

SENIOR PRANKS: A senior prank is any act carried out by a class or an individual that causes damage to the physical plant, that causes damage to the reputation of KCHS, or that is negative toward any person associated with KCHS. Consequences for senior pranks may include, but are not limited to the following;

- Attendance at Baccalaureate denied
- Attendance at Graduation denied
- Financial obligations for damages incurred to school or property
- Detention time doubled and served after all students have finished for the year
- Detention time to include manual labor to better school facilities
- Transcripts and diploma held until all conditions have been met to the satisfaction of the Administration
- A letter will be sent to the college of record describing the incident

SOCIAL NETWORKING: In Accordance with the KCHS Acceptable Use Policy, defamatory comments, posts, videos, or messages about the school, its employees, or students made by parents, family members, employees, or members of our student body on social networking sites is a breach of the parent-student/school partnership and may be grounds for a student being dismissed from the school. Use of the school name, acronym or school logos in establishing social networking pages or groups requires approval from the administration.

TOBACCO PRODUCTS: Students are not to be in possession (including in one’s car) of any tobacco products or related paraphernalia while on campus or at any school-sponsored activity. Students in possession of tobacco or related products are subject to 10 demerits and suspension.

LEAVING CAMPUS: Once a student arrives on campus, whether he is dropped off or whether he drove, walked, or biked to school, he is not permitted to leave campus for any reason during school hours unless previously arranged with a school administrator, resource officer, and/or the registrar.

CAMPUS ACCESSIBILITY: In the interest of safety, KCHS does not allow **any curbside drop off of any item** (lunch, books, medicine, etc.) All visitors to campus are asked to park in a visitor's space on the flagpole side of campus and check in at the main office to drop off items.

ACCESS TO STUDENT CARS: In general students are not permitted access to their cars during the day. Students must obtain permission from an Administrator, personnel in the front office, or the school resource officer before accessing a car during the school day.

SUBSTANCE ABUSE

KCHS seeks to have a safe and drug free environment. To achieve this, the school may use, but is not limited to, multiple method drug testing for all students.

MANDATORY DRUG TESTING: Every KCHS student will be tested at least once during his enrollment at KCHS. Due to the random nature of this testing, there is a distinct possibility that a student could be tested more than once during the school year. The KCHS Administration is committed to the confidentiality of the results of any student tested, regardless of the outcome of the test.

KCHS employs an outside agency which tests for drugs using the hair follicle testing method. The hair sample is cut close to the scalp and 80 to 120 strands of hair are needed for the test.

A 'positive' test result entails that a student's parents be called and that a Care Plan be devised. The Care Plan includes a referral to an outside drug and alcohol counselor for assessment. **The cost of the assessment, as well as the cost of any additional testing required by the school, will be the family's responsibility. A second offense or positive drug test will result in dismissal from KCHS.**

The Athletic Department sets additional drug offense policies and other non-athletically affiliated clubs, or groups may choose to do the same. In general, a student-athlete in violation of the Drug and Alcohol Policy (i.e., a positive drug test or possession of alcohol) is suspended for 10% of his playing time. For example, a baseball player would miss 1 week of practice and suffer a 2-game suspension. A football player would miss 1 week of practice and suffer a 1-game suspension. If the student incurs a violation of the Drug and Alcohol Policy outside of his athletic season (for example, in February for a football player), his penalty will take place in the next season.

For a student who is not involved in athletics, club participation may be curtailed, but may not be curtailed in events like Chorus or Band, where a grade is dependent on participation. A student who is involved in athletics *and* a club may not be doubly penalized by curtailing participation in *both* events.

Additionally, in her absolute commitment to the safety and well-being of each student, KCHS strives to offer an educational component concerning substance use and abuse. Counseling Services are offered through the KCHS Student Assistance Program (SAP).

The possession or use of any quantity of illegal drugs or drug paraphernalia is unacceptable on school premises, vehicles parked on school property or off-site school-sponsored activities. School discipline will be enforced, including possible dismissal, with notification of state law enforcement officials. **(DSP # 3090).** Knoxville Catholic High School reserves the right to perform probable cause testing on any student in attendance.

SCHOOL-RELATED INCIDENTS: The use of or possession of alcohol and or other drugs by a Knoxville Catholic student on school property or at any school event is strictly forbidden and a violation of the school's alcohol and drug policy. Conveying information to other students about the sale and or distribution of alcohol or drugs could be considered to be a violation of this policy. When a student has violated this policy, but is not expelled from school, he/she must strictly adhere to the school guidelines in order to remain a member of the student body. Depending upon the nature of the offense, any combination of the following conditions may be applied:

- The student will receive demerits and be suspended from school.
- The student may not return to school until a Care Plan has been signed by the Parent/Guardian. The plan must be signed for the student to remain enrolled at KCHS.
- The student must complete a professional assessment, including a drug test. The results of the assessment must be provided to the school along with a report of any recommendations for follow-up counseling or rehabilitation activities.
- To remain enrolled, the student must adhere to these recommendations.
- For any second offense or second positive test prior to graduation, the student will be forced to withdraw from school.

Any student involved in the sale or distribution of alcohol or other drugs will be immediately expelled. The administration reserves the right to search any person, cell phone, book bag, locker, or vehicle when the presence of alcohol or other drugs is suspected.

OTHER: Any synthetic substance (e.g., K2, Spice) or chemical that mimics the effects of drugs will be treated as an illegal substance. Students in possession of such substances or under the influence of these substances, will be considered in violation of the KCHS Substance Abuse Policy and will be subject to assessment and possible disciplinary actions as outlined above.

ATTENDANCE

Tennessee state law requires the attendance of each student on all days and hours that school is in session. In the opinion of the KCHS Administration and Faculty, **more than 5 days absent** (excused or unexcused) in a class per semester impedes the ability to succeed in that class. ***At the fifth absence in each class, parents automatically receive an email notice from RenWeb. On the sixth and subsequent class sessions missed per semester for any given class, the individual class teacher is instructed on a monthly basis by the Attendance Committee to deduct two (2) points from the student's ongoing quarter grade with no limit to the amount of point deductions a student may incur. In order that parents and students may have a clear indication of where a grade stands in relation to absences, deductions for absences will be taken by the individual classroom teacher no later than one week after receiving notification from the Attendance Committee to deduct points. Parents are strongly encouraged to check email settings in RenWeb, and also to check SPAM settings.***

Example: A student with a 94 for his 3rd quarter average for a given class, who has missed 6 days of class, will receive a 92 quarter average. If he has missed seven (7) days, he will receive a 90, eight (8) days, an 88, etc. The same student will continue to accrue two-point deductions for additional absences accrued during 4th quarter.

Frequently Referenced Information

- √ On each day absent, tardy, or leaving early, a parent must leave a phone message with the Registrar, or send a note or an email by 9:00 a.m. to inform the school of the student's situation.
- √ Each student is granted five (5) absences total per semester in each class.
- √ Two point deductions are incurred to the quarter grade for each absence after five (5) in each class.
- √ Extenuating Circumstances Applications (RenWeb/Resource Documents) for serious illness must be submitted with supporting documentation within one week after the student's return to school.
- √ Exceptional growth applications (RenWeb/Resource Documents) for out of school activities must be submitted six (6) weeks prior to the activity taking place.
- √ Each student is granted four (4) tardies total per semester in each class. Upon the 5th and every subsequent 2nd tardy, he serves a detention.
- √ TA and Study Hall students in A Block are issued detentions for any combination of absences or tardies at five (5) or over.

Any absence counts as part of the five (5) available absences students are allowed in each class. This includes absences due to orthodontic visits, check-ups, illness, one or two-day absences not associated with an extenuating circumstance, etc. If a student has physical therapy, mental health therapy, or frequent doctor's appointments, the attendance committee strongly recommends scheduling these appointments so that a student does not miss the same class for every appointment.

If a student has surgery, an ongoing medical condition, or other extended illness, he/she must complete an application for extenuating circumstances to have that absence reviewed by the attendance committee.

Excluding those listed below, all absences count toward the total number of allowed absences per semester.

- (1) school related absences (SRA) (e.g. KCHS sporting events, field trips)
- (2) absences that have been granted Extenuating Circumstances status (EC)
- (3) preapproved absences for Exceptional Growth opportunities (EG)
- (4) preapproved College Visit absences (CV) - Must be approved a day in advance by registrar
- (5) bereavement (ZABE) - Must notify registrar upon return to school

EXTENUATING CIRCUMSTANCES: In cases of extended illness (e.g. flu, mononucleosis), surgery, **an application for extenuating circumstances must be submitted to the Registrar within one week of the student's return to school.** That application is accessible on RenWeb under the 'Resource Documents' tab. **Documentation of doctor's visits including the doctor's 'return to school' release must also be included with the extenuating circumstances form.** Both the extenuating circumstances form AND the doctor's notes including 'return to school dates' are necessary for the Attendance Committee to thoroughly review each case.

If a student has an on-going chronic illness (i.e. Crohn's Disease), please send the Attendance Committee a doctor's letter with reasonable expectations for attendance.

Applications for extenuating circumstances will be reviewed by the Attendance Committee on the third Thursday of each month. EC forms submitted in 2nd or 4th quarters for absences incurred in 1st or 3rd quarters are generally not accepted for review. Students and parents will be notified of the status of their application after the committee meeting each month. **If parents or students would like to appeal the decision, they must notify the Attendance Committee before the following month's meeting.** Past that point, extenuating circumstance status for that case will not be further reviewed.

EXCEPTIONAL PERSONAL GROWTH OPPORTUNITIES: **There is a separate application for exceptional personal growth opportunities.** These events are typically organized by an outside agency (as opposed to family vacations) whose schedule conflicts with that of the academic school year, and therefore the opportunity is unavailable at any other time. This application **must be submitted a minimum of six (6) weeks in advance of the requested absence.** The Attendance Committee will review the application on the third Thursday of the month, and the parents will be notified of the status the week following the committee meeting. A student's overall attendance record will be reviewed when making decisions to grant exceptional growth absences. The application is available on RenWeb and should be returned to the Registrar. Students are allowed up to four (4) exceptional personal growth opportunities per semester.

TEMPORARY HEALTH EMERGENCY PROTOCOL: KCHS understands the seriousness of emergency health issues (e.g., **concussions**) and seeks to support the student per the stipulations outlined by his healthcare provider. After the student meets with his doctor, the student will meet with his school counselor to fill out a **Temporary Academic Accommodations Plan** to document special accommodations allowed for assignment completion. This plan cannot be crafted unless the counselor has the doctor's recommendations which include the expected length of recovery time and/or a recheck date.

DOCTOR'S NOTES: Doctor's notes and/or parent's notes, and notes from affiliated organizations or colleges, are required under the following circumstances:

1. when filling out Extenuating Circumstances forms
2. when filling out Exceptional Growth Opportunities forms
3. when checking a student out early
4. when a student comes late to school
5. when verifying a college visit day

CALLING THE FRONT OFFICE TO REPORT ABSENCE: A parent **is obligated to call the Registrar before 9:00 a.m. at 560-0313, extension 3550 each day the student is absent or tardy.**

EARLY DISMISSAL: **If the student needs to be excused before the end of the school day, a note or email to that effect should be presented for approval to the Registrar by 9 a.m. the morning of the early dismissal. Early dismissal notes may be submitted as early as one month in advance. Failure to comply with early dismissal standards will forfeit the opportunity to make up any missed work for credit.** The student's name will be added to the Early Dismissal portion of the Daily Absentee list. It is the student's responsibility to report to the office at his early dismissal time. Calls will NOT be made to the classroom. The office will verify appointments as it deems necessary. Parents are asked to make every effort to schedule appointments outside of school hours and to make use of the additional time provided by late arrival on Wednesdays.

TOTALING OF ABSENCES: A student missing three (3) periods in one day will be considered absent ½ day, with two such days' equivalent to one full day absent. Students attending a school-sponsored or school sanctioned activity will not be counted as absent from school.

SIGNING OUT: After arriving on campus, students are not to be excused from classes or to leave the school building/grounds for any activity without permission from the office. This includes going to the parking lot to retrieve forgotten items. Students leaving campus must have written permission to leave, must go to the office and sign out when leaving, and must sign in upon returning.

COLLEGE VISIT DAYS: In addition to the five (5) absences per class, per semester, Juniors and Seniors only are allowed two (2) properly documented college visit days per year. Sophomores are allowed one (1) such day. For absences due to college visits to be considered, students must:

- notify the Registrar and the classroom teacher at least one day in advance of the visit; Please note that the Registrar, as opposed to the Attendance Committee, processes all requests for College Visit Days.
- submit to the Registrar 'Proof of Visit' documentation from the Admissions department of the college upon the day the student returns to school;
- take days before May 1st.

Students who do not follow these guidelines will NOT be granted College Visit status for absences.

SKIPPING CLASS: A student who 'skips' or 'cuts' class will not be allowed to make up any work missed that day for credit. He will receive zeros for any work missed and demerits and detentions will be issued.

TARDY POLICY: **Very rarely is there sufficient reason for repeated tardiness to school.** The term 'tardy' is used exclusively to refer to a student who is late to school. The term 'late to class' is used to refer to a student who has already arrived at school for at least one class, but did not arrive

to another class that day on time. (*In general*, most ‘tardies’ happen during 1st period and most ‘late to class’ events happen during 2nd - 8th periods.)

If a student who is already on campus (i.e. has reported to classes) is late to class due to circumstances beyond his control (e.g. meeting with his school counselor or another staff member) his teacher marks him ‘excused late to class’ (ELTC). If a student who is already on campus (i.e. has reported to classes) is late to class due to other factors, his teacher marks him ‘unexcused late to class’ (ULTC).

When a student accrues, in any combination, 5 tardies or 5 ULTC’s to any one class, he is issued a referral for detention. He continues to receive referrals and detentions for every 2nd tardy/UTLC thereafter. **Tardies and ULTC’s do not affect point deductions related to absence totals in a class.** If a student has a study hall or serves as a teacher’s assistant (TA) in A Block, any combination of absences or tardies of five (5) or above count as “late to school” and will result in referrals/detentions.

Attendance Example: Test Student Date: December 12, 20__

	A	EC	EG	CV	ELTC	T	ULTC	Pts off	Referrals
A Eng	6	2		2	1	14		2	5
B Math	7	2		2	1			4	0
C Sci	5	2		2			5	0	1
D Rel	5	2		2		7	4	0	4

A = absent
 EC = extenuating circumstances
 EG = exceptional growth opp
 CV = college visit day

ELTC = excused late to class
 ULTC = unexcused late to class
 T = tardy to school

Test Student receives two (2) pts off in A Block because he has six (6) absences. (one over limit)
 He receives five (5) referrals for detention because in A Block he has a total of 14 T/ULTC. He received a referral at five (5) tardies and continued to receive detentions when he hit 7,9,11,13 tardy marks.
 In C and D Blocks he receives no pts off because he has not exceeded five (5) absences; however, in C Block he receives one (1) referral for detention because he has five (5) ULTC, and in D Block he receives four (4) referrals. He received a referral at five (5) tardies, another at seven (7), and two (2) more because he has four (4) ULTC.

As with absences, tardies and ULTC’s, students’ attendance totals begin afresh at zero at the start of each semester. Attendance records do not accrue from one semester to the next.

Students who arrive more than halfway through a class are marked as absent. Therefore, a student who checks in at 8:26 is counted *absent* for his A-Block class, rather than *tardy*.

Every student who is tardy must sign in with the Registrar before he reports to class. No student is admitted to his first class of the day (no matter what period of the day he arrives) without a tardy

form from the Registrar. The teacher uses the form to insure the student has signed in with the Registrar and returns the form to the student.

The Administration reserves the right to waive all student responsibilities in the case of tardies resulting from an unusual amount of inclement weather, a major traffic problem, etc., that unexpectedly delays/halts normal travel.

MISSED WORK: In accordance with expectations outlined via course guidelines, it is the responsibility of the student to contact the teacher in advance of a foreseen absence concerning all work that will be missed, and to make arrangements for completing the work. Failure to comply with this standard in its entirety may forfeit the opportunity to make up all work missed during the absence.

Any illness or accident, which will keep a student out of school for an extended period, should be reported to the Registrar as early as possible and parents should pursue filling out an extenuating circumstance application.

ILLNESS: At the present time there is no one on duty in the clinic on a daily basis. Therefore, if a student is feeling ill, the teacher may send that student to the office. Upon determining the seriousness of the illness, the Receptionist may call the parent to arrange the student dismissal. Students will wait in the clinic for their parents.

In case of early dismissal during regular school hours due to unforeseen illness, the President, Academic Dean, Dean of Students, or Registrar must speak with the parent by phone or in person and receive an email for dismissal for the student to be dismissed early.

Students who become ill at school may use the office phone to contact parents, or they may use a cell phone during break, lunch or between classes.

SCHOOL SPONSORED OUTINGS: When going off campus as a member of a school group, the student must return a permission form signed by a parent or guardian. Students who do not return signed permission forms will not be allowed to participate in the off-campus activity. The privilege to participate in school sponsored outings is based on academic and disciplinary performance as well as satisfactory attendance.

ACCEPTABLE USE POLICY FOR TECHNOLOGY

Today's culture relies upon and demands fluency in the digital world. In support of our mission and goals, Knoxville Catholic High School (KCHS) recognizes the opportunity to utilize technology to enhance Catholic school education and to ensure students are effective and responsible digital citizens. To equip our students with 21st century skills, KCHS has implemented a Bring Your Own Device (BYOD) program. The integration of technology to support the educational process will facilitate catholicity, communication, creativity, critical thinking, and collaboration.

In support of the technology initiative, KCHS provides network access and Internet connectivity. Use of the network should support Catholic school education and be consistent with the mission of the school. To safeguard the privilege of computer use, the values of good judgment and Christian responsibility are expected of all KCHS computer users.

USE OF NETWORK AND PERSONAL DEVICES: Students are granted the limited right to use their personally owned technology resources at Knoxville Catholic High School upon return of the signature form from the Parent and Student Handbook, which contains the Acceptable Use Policy for Technology. Students using personal devices must follow KCHS policies while on school property, attending any school-sponsored activity, accessing KCHS resources, using the KCHS network, or while interacting with KCHS community members. Students understand that KCHS personnel may monitor and access any equipment connected to Knoxville Catholic High School network resources as well as student computer activity. Students must provide login credentials to access the personal device upon request by the President or his designee.

Knoxville Catholic High School is not liable for any loss/damage/theft of a personally owned device or a borrowed one.

KCHS requires a Microsoft Windows device for the BYOD initiative. Use of unapproved personal equipment, including MacBooks and Chromebooks, on the KCHS network is prohibited.

Students will be responsible for the condition of any device brought to school, including updates, antivirus software, configuration, and any other normal maintenance.

Authorized personal devices should be charged outside of school unless specific permission is granted by a staff member. Students should bring laptop power cords to school in case emergency charging is necessary.

Student personal devices should connect to the KCHS network ONLY through the KCHS-Secure wireless network. Students should refrain from use of the KCHS-Guest wireless network due to restrictions in place for guest network usage.

Knoxville Catholic High School will not be responsible for any damages suffered including loss of data resulting from delay, non-deliveries, service interruptions, or inaccurate information. The person operating the device accepts personal responsibility for any content obtained via the Internet or other electronic sources and for his/her actions on the Internet.

GENERAL GUIDELINES FOR USE OF KCHS COMPUTING RESOURCES/PERSONAL DEVICES: No device, personal or otherwise, may be used to record, store, or transmit any type of image, sound, or video from KCHS, except for approved projects with the express permission of the teacher. Devices may not be used to slander, bully, or denigrate any student, visitor, staff member, faculty member, administrator, on or off campus at any time.

Computer users may not associate a website, account, app, or other entity with the KCHS name or the names of faculty or staff members without proper authorization. Computer users may not represent the school by name, logo, or identity in a formal or informal publication, document, or program without prior approval.

All network communication must be polite, kind, and free from inappropriate language. Users may not engage in personal attacks, harassment, or knowingly post private or defamatory information about another person.

Use of devices for entertainment or recreational use may be limited by KCHS IT staff based on the level of distraction and/or network resources used.

In the classroom, the teacher is the determiner of appropriate use of technology. It is unacceptable to attempt to use technology in ways that are inappropriate, not indicated by the instructor, or that run counter to the educational purpose of the class.

Students are responsible for having a fully functioning computer in each class. If the student's computer is not functional, the responsibility rests with parents and students to make alternate arrangements while the computer is being serviced. Students who do not make alternative arrangements risk academic point deductions at the discretion of the assigning teacher.

Students are responsible for all activities conducted when using devices and accounts and must take all reasonable precautions to prevent others from being able to use their accounts.

Students must use locked lockers or other secured means, such as locked classroom or office, to store devices when not in use, and should not leave devices unattended.

Students will not attempt to gain unauthorized access to KCHS network resources or to any other computer system. This includes attempting to log in through another person's account or access another person's files.

Students will not make deliberate attempts to disrupt the computer system or destroy data by spreading computer viruses or by any other means. Students must take precautions to avoid the spread of computer viruses.

Students will not use KCHS network resources to access material that is profane or obscene, that advocates illegal acts, or that advocates violence or discrimination toward other people, or to engage in any illegal act. If a student accidentally accesses this type of information, he or she should immediately notify a member of the faculty.

Students will not install software on any KCHS computer or the KCHS network or alter hardware or software setups on any KCHS computer resources.

INTERNET SAFETY GUIDELINES: Students are expected to adhere to the following safety guidelines:

- Never post name, address, phone number, financial information, social security number, or other personal information electronically without the permission of a parent AND teacher AND administration.
- Never agree to meet in person with anyone they have met online without approval of a parent or guardian.
- Notify a member of the faculty or administration immediately if they receive a message that may be inappropriate.

FILTERING AND MONITORING: KCHS will make every reasonable effort to protect Internet users from unacceptable content with means such as filter, supervision, and education, but students may find ways to access unacceptable material. Every user must take responsibility for his/her use of the network and Internet and avoid objectionable sites. All Internet filtering methods and system restraints are to be respected. Electronic activity will be monitored.

COPYRIGHT AND OWNERSHIP OF WORK: Students will respect copyright laws and licensing agreements pertaining to materials entered into and obtained through the Internet or other electronic sources.

Students are required to give proper credit to all Internet sources used in academic assignments. This includes all forms of media, such as graphics, movies, music, and text.

SCHOOL-PROVIDED SOFTWARE/EMAIL: The content of all school-assigned email accounts and associated applications is the property of KCHS and is subject to search at any time for any reason without prior notification or consent of the assignee.

Students are required to utilize the email account provided by KCHS for school related correspondence. The KCHS email account should be regularly monitored and used only for the exchange of appropriate information. School email addresses are not to be given to any websites, companies, or other third parties without the explicit permission of school staff. Only school related attachments may be sent through the school email system.

Access to school provided email and associated applications (e.g., Microsoft Office Suite, OneDrive) is available only while the student is enrolled at KCHS.

Students should utilize the offline Microsoft Office applications in the event of Internet connectivity issues.

DISCIPLINARY ACTION: Lack of good judgment and/or Christian responsibility in the use of technology will be just cause for serious disciplinary action which will include, but not be limited to, any of the following actions:

- Referral to Honor Code Committee
- Temporary suspension of technology use privileges
- Detention
- Suspension
- Expulsion
- Action deemed appropriate by the President or designee

DIOCESE OF KNOXVILLE CATHOLIC SCHOOLS SOCIAL MEDIA POLICY FOR STUDENTS

To establish guidelines for students' use of social media, the Diocese of Knoxville Catholic Schools Office promulgates the following policy. The intent is to ensure that students' use of social media is consistent with the purpose and mission of Catholic school education.

This policy does not attempt to articulate all required or proscribed behavior by students. **Students must understand that one's personal use of social media is public in nature, and individuals give up any expectation of privacy when they engage in electronic communication. Students using social media, either for school or personal use, must be vigilant in representing themselves as responsible members of the Catholic school community when taking part in electronic communication that can be viewed publicly.**

Class social networking accounts (e.g., Facebook) are not endorsed or encouraged by diocesan schools. In accordance with the school's Acceptable Use Policy, defamatory comments about the school, its employees, or students made by parents or students at any time on social networking sites are a breach of the parent-student/school partnership and may be grounds for a student's dismissal from the school. Use of the school name, teacher name, student name, and/or school logo in establishing such groups is not permitted. (*per Diocese of Knoxville*)

Guidelines for the use of social media by Catholic school students:

1. Students are expected to be respectful toward their peers when using social media. Bullying, harassment, disrespect, or threatening statements toward other students through social media will be addressed as a disciplinary issue if it has a negative effect on the safe and orderly environment of the school.
2. Students are expected to be respectful toward school personnel and other adult members of the school community when using social media. Communication that is disrespectful toward school personnel or other adult members of the school community will be addressed as a disciplinary issue.
3. Students should not request school personnel to "friend" them on a social networking sites.
4. Students should not post photos or videos of other members of the school community on social networking sites without their permission. Inappropriate graphics and/or images should never be posted by students on social networking sites. If activity of this nature interferes with the safe and orderly environment of the school, it will be addressed as a disciplinary issue.

In the Gospel of Mark, Jesus is asked, "Which commandment is the most important of all? Jesus replied, "The most important one is this: 'Listen, Israel! The Lord our God is the only Lord. Love the Lord your God with all your heart, with all your soul, with all your mind, and with all your strength.' The second most important commandment is this: Love your neighbor as you love yourself.' There is no other commandment more important than these two." (Mark 12.28-29)

The Catholic schools of the Diocese of Knoxville are committed to fostering a school environment based on Gospel values. Proactively teaching students about the appropriate boundaries of social media is a critical part of establishing and maintaining a truly Christian school environment.

HONOR CODE

Students and staff at KCHS strive to create a Christian environment wherein all work to uphold the ideals of honesty and integrity. It is the right, privilege, and responsibility of each student and staff member to contribute to and work toward an atmosphere of honor and trust.

Knoxville Catholic High School defines Academic Dishonesty as giving or receiving information or assistance on any work that is assumed to be an example of individual effort.

Academic Dishonesty includes, but is not limited to,
giving *or* receiving homework to be copied;
giving *or* receiving aid on a test or attempting to do so;
plagiarism;
forgery.

Violations of Academic Dishonesty are cumulative over a student's career at KCHS. A student's Honor File is transferred each succeeding year of attendance at KCHS.

Any violation of the KCHS Honor Code may jeopardize a student's ability to run for and hold a position in student government, may jeopardize admission to or membership status in The National Honor Society, and may jeopardize admission to or membership status in subject-specific honor societies).

Colleges frequently request information about a student's integrity. Guidance counselors are required to report trends of academic dishonesty if a college requests this information.

Collaboration vs. Plagiarism: Collaboration entails active participation and discussion of ideas, and then using one's own ideas to flesh the answer to a question. In a setting that was originally intended to be one of collaboration, a student crosses the line into plagiarism when he simply writes down the answers that others produce.

First Infraction of the Honor Code:

- The teacher involved will personally speak with the student and email the parents or guardians to inform them of the alleged violation.
- The teacher will record a failing grade for the assignment and will include an accompanying note in RenWeb referencing that the student had an infraction of the Honor Code.
- The teacher will email the Honor Committee Chair so that the infraction may be listed in the student's Honor File.

Second Infraction of the Honor Code:

- The first three steps of a First Infraction of the Honor Code will be implemented.
- The Honor Committee Chair will speak with the student and parent to outline consequences for future infractions.
- A Second Infraction will be recorded in the student's Honor File.

Third Infraction of the Honor Code:

- The first three steps of a First Infraction of the Honor Code will be implemented.

- The Honor Committee Chair will review the student's Honor File and make recommendations to the President.
- Upon recommendation of the Honor Committee Chair and approval of the President, the student is suspended until the student and his/her parent(s) attend a meeting with the President or designee. At this time, the seriousness of the student's actions and possible dismissal will be discussed. All present at the meeting will sign a letter documenting the student's offenses and sanctions to date.
- A Third Infraction will be recorded in the student's Honor File.

Fourth Infraction of the Honor Code:

- The first three steps of a First Infraction of the Honor Code will be implemented.
- The student and parents or guardians will meet with the President and/or the Academic Dean to discuss the student's dismissal from Knoxville Catholic High School. At this time the student's entire school record will be reviewed.

ACADEMIC DISHONESTY REGARDING HOMEWORK

HOMEWORK EVENT NOTICE

Homework Event Notices are issued only to those students who have received no prior infractions of the Honor Code. (A student who has given or received homework to be copied, and who already has an infraction, will be issued a second infraction rather than a Homework Event Notice.)

If a student with no prior infractions gives *or* receives homework to be copied, all involved sets of homework will be taken up and given to the teacher who initially assigned the work. The assigning teacher will

1. give failing grades to all involved parties,
2. make notes in RenWeb next to the grade referencing the homework event notice
3. email the parents, and
4. email the Honor Committee Chair so that a Homework Event Notice may be placed in the student's Honor File.

If a student is not forthcoming in admitting guilt (for example, is found to be dishonest in saying that someone stole the work from him when he really gave it to be copied, or he says nothing when first approached), he may be issued a full infraction rather than a Homework Event Notice.

A Homework event notice primarily serves as a warning in the student's Honor File. Students with Honor Files containing two Homework Event Notices will be assigned an Infraction. Students and parents will be informed in writing if a Homework Event Notice or an Infraction has been recorded in the Honor File.

VOLUNTARY ADMISSION OF GUILT

The KCHS Honor Committee would like to recognize students who are forthcoming in admitting guilt involving Honor Code incidents while at the same time helping the student learn to take responsibility for his actions.

A freshman or sophomore student with no prior Homework Event Notices, accused of a first infraction of the Honor Code, who voluntarily and promptly admits guilt to his teacher or the Honor Committee Chair, will be given the opportunity to perform community service under the direction of the Honor Committee Chair and the supervision of his/her parents. In return for documented successful completion of the community service as per signed contract, the first infraction will be

reduced to Homework Event Notice. The student will still receive a failing grade on the work in question. A student who says nothing when first approached is denied the community service option.

Juniors and Seniors are not eligible for a community service option.

A student who works off a first infraction with community service and is later found giving or receiving homework to be copied, or receives another infraction at any time in his KCHS career, will have the first infraction reinstated and will be issued a second infraction.

Only first infractions may be considered for community service work. In addition, it must be noted that *any violation of the KCHS Honor Code may jeopardize a student's admission to or membership status in The National Honor Society and subject-specific honor societies.*

APPEALS

A student who believes he has been falsely accused may submit a written appeal to the Honor Committee. *Appeals must be submitted to the Honor Committee within one week of the receipt of the Parent/Guardian notification letter.* Appeals should give a factual and detailed account from the student's point of view of the alleged incident and offer any supporting details that would help the Honor Committee make its decision.

THE HONOR COMMITTEE

The Honor Committee is composed of three staff members and three students. Members are chosen by the President. The committee meets on an as-needed basis. The President, Academic Dean, and appropriate KCHS honor society review boards are kept informed of student Honor Code infractions and all decisions of the Honor Committee.

GENERAL INFORMATION

ANNOUNCEMENTS: School announcements are made at the beginning of the school day. Morning announcements are posted on RenWeb. A sponsoring faculty member must sign any announcement made pertaining to an activity. Announcement forms are available in the office. No student may make an announcement over the intercom without the permission of the Administration.

BOOKBAGS: Students may choose any type of bookbag for personal use. Students eating lunch may store their bags in the Commons Area around the pillars. Bookbags and equipment bags may not be left in the hallways or the bathrooms during school hours. All bags must be kept in the student's locker or in a classroom.

BUILDING HOURS: Faculty or Administrative supervision is provided each school day from 7:00 a.m., when Building A opens, until 4:00 p.m., when the school closes. No student is to be in the building or on the campus before or after these hours without assigned faculty supervision. Faculty members working with a student or group of students outside these hours must remain with the students until the last student leaves the premises.

CAFETERIA: The cafeteria offers snacks at break as well as a variety of hot and cold lunch choices. Service is 'pay as you go'. Upon entering individual student ID numbers, student lunches are automatically charged to student cafeteria accounts. The system accepts cash and a Declining Balance Account (no debit or credit cards) which allows parents to deposit funds, creating a credit the student can use to purchase lunch or break items. When the account balance becomes low, parents are notified via email (negative balances are not allowed). A start up deposit of \$75.00 to \$100.00 is recommended. Account balances are carried from semester to semester and year to year. Parents may go to [www.http://mySchoolBucks.com](http://mySchoolBucks.com) to make deposits into their student's school meal account and to set preferences.

- Food is not to be sold except during the scheduled lunch period and/or break. Students may not sell food for special benefits without permission from the Administration.
- Seniors may choose to eat outside in the grassy area facing the Fine Arts hallway.
- Students may eat in the cafeteria, commons area, or gym. Students may not eat in the locker rooms, library patio area, A Wing, C Wing and B Building, restrooms, and hallways during lunch periods unless prior approval has been granted.

CALENDAR: The Administrative Assistant keeps the KCHS master school calendar. All activities, including meetings, fund-raising activities, dances, etc., must be approved by the Administration and notification given in advance of the activity in writing to the Administrative Assistant to be posted on the master calendar. Calendars are posted in the school and available daily on RenWeb.

CELL PHONES: Students may use cell phones at break, at lunch and in between classes. Students may NOT have cell phones out for any purpose during church-related activities. Cell phone usage in class is determined by the individual teacher. Unless otherwise instructed by the teacher, cell phones should be turned off and out of sight while in the classroom.

The Administration reserves the right to search the contents of confiscated phones. For further details, see the guidelines for specific disciplinary infractions listed in this handbook.

COURSE EVALUATIONS: At the completion of year-long and semester-long courses, teachers give the student an opportunity to give anonymous feedback on the quality of instruction and course content. Evaluations are administered online. Evaluation results are returned to the teacher after semester exams.

DANCES INCLUDING PROM: KCHS generally hosts three (3) dances, Homecoming, Winter Formal, and Prom. Students who wish to bring a non-KCHS student to a dance must obtain an out-of-school date form from the front office.

Out-of-School dates must be in 9th grade at a minimum, or under the age of 21 at a maximum. A \$20 Out-of-School date processing fee is due with the submission of the required out-of-school Prom date form. The out-of-school date form and \$20 fee must be submitted to the front office at least 1 week in advance of Prom. For dances other than Prom, there is no additional fee to bring an out-of-school date, but the out-of-school date form is required.

Students who do not adhere to these deadlines risk having their request denied at the last minute. Students on active suspension or students who have been asked to leave KCHS may not attend a dance without the express permission of the President. Expelled students may not attend a KCHS dance.

No same-sex dates are allowed for dances or the Prom.

Students who leave a dance or Prom early are not permitted reentry. Parents and students are responsible for establishing communication regarding the student's ability to leave a dance or Prom early.

DUAL ENROLLMENT

Students in Dual Enrollment Class who choose to be on campus during A block should observe the following guidelines:

- Report to the registrar for attendance and remain in the library for the duration of A block.
- Adhere to school policies during this time: be in uniform and refrain from cell phone use or bringing food and drink into the library.

EMAIL: Because academic, attendance, and disciplinary records are maintained electronically and communicated officially via email, all students are required to utilize the email account provided by KCHS. The account should be regularly monitored and used for all school correspondence.

FORGOTTEN ITEMS: In an effort to build personal responsibility, KCHS administration asks that parents not bring money, forgotten lunches, or homework to school for their student.

IDENTIFICATION CARDS: Students must have their school issued ID cards in their possession during school hours and at all school-related functions.

LIBRARY: The library is open Monday - Friday 7:40 a.m. - 4:00 p.m. (except on those Wednesdays when there may be faculty meetings until 9:00 a.m.). Students may utilize the library for research and study on an individual basis or through attendance with a class.

- Materials may be checked out for a period of three weeks and renewed as needed if the item is not on hold. The cost of lost or damaged materials will be the price of the item plus a \$3.00

service charge to cover shipping and processing of replacement materials. Reserve and reference materials do not circulate out of the library.

- The library may be closed to general use if it is scheduled for a special activity.

LOCKERS: Students are issued lockers and locks at registration. School locks must be used as intended. Students are responsible for keeping the locker and its contents in order and locked. One school padlock is issued on the student's first day of registration freshman year. This lock should be kept for all four years at KCHS. Replacement locks may be purchased from the Dean of Students. The school is not responsible for items missing from a student's locker. Food and drink, except for the current day's lunch, may not be kept in the locker at any time. Posters, notes, and messages are not to be placed on the outside of lockers unless specific permission has been granted for Spirit Week, birthdays, or sporting events. Stickers and marking pens are not to be used on lockers at any time. Students are required to keep lockers locked at all times.

MEDICATION: All student medication, prescription and non-prescription must be kept in the office. KCHS will not administer any medications for students, oral or topical, **unless authorized and provided by the parent.** A completed and signed Medical Release Form for every student is kept on file in the front office. If needed, "condition" forms, (asthma, diabetes, etc.) will be kept in the front office. Medical Release Forms and Condition Forms are available on RenWeb/Resource Documents. All prescription medications in the original container, instructions for use, and parental permission notes are to be brought and kept in the office. The student **is not** to have any prescription and/or over-the-counter medications on his person or in his locker. It is the student's responsibility to remember to come to the office to take medication. **Students prescribed Epi pens and inhalers should talk to the administration and individual teachers about carrying these during the day.**

MESSAGES: A student will not be called to the telephone or a class will not be interrupted for messages to students except in case of emergency. Because delivery of afterschool messages is met with limited success and takes valuable staff time away from required duties, parents and students should communicate car pool information, appointments and other such information to one another outside of school hours. Please **leave messages with the Receptionist only in times of emergency.** Every effort will be made to relay emergency information.

PARKING: Student drivers wishing to park on KCHS property must have a legal driver's license and a KCHS parking permit. The parking permit, which indicates a specific parking lot and parking space for the vehicle, should be displayed on the rearview mirror **at all times** while the vehicle is on campus. A fee of \$60.00 will be assessed for any student wishing to park on KCHS property. (Beginning 2nd semester the fee will be reduced to \$30.00.) Parking spaces are limited and upper classmen get first priority as spaces are issued.

No one can double park or park next to the building or in fire/emergency lanes, or visitor spaces, and students are not allowed to park in staff spaces. Students are not permitted to linger in parked cars after arriving at school, anytime during the school day, or immediately after school dismissal. Students may not go to their cars without the permission of an Administrator or the school

Resource Officer. All drivers on the KCHS campus are expected to observe a 15-mph speed limit. Failure to obtain a parking permit, violation of the KCHS parking policy, or failure to observe the campus speed limit may result in a fine, disciplinary action, or the loss of on-site parking and driving privileges. **Parking in the All Saints Parking Lot is not permitted.**

PERMISSION SLIPS: Any off-campus event sponsored by the school shall require a Field Trip Permission form signed by the parent or guardian. This form must be filed in the office **the day before**

the scheduled event. No phone calls or faxed permissions will be accepted on the day of the event unless there are extenuating circumstances. Permission forms are provided by the school and must be returned to the event moderator. No student will be permitted to leave school without following the above procedure. No student will be permitted to drive his/her personal vehicle for a field trip without prior approval from the President and parent or guardian.

PHOTOS: KCHS reserves the right to use pictures of any KCHS student on the school's website, social media pages, or in any publication. If parents do not want their child's picture to be used for these purposes, they must express this in writing to the President.

Students are not allowed to record (video and/or audio) a teacher or activity within the classroom without the permission of the teacher.

Senior composite photo: Female students may choose between the traditional drape provided by the photography company, or they may choose to wear a black, gender-neutral, button up shirt.

PREGNANCY: The administration, faculty, and staff of Knoxville Catholic High School strive to work with parents and student to choose life. Chastity and commitment to the sanctity of human life are positively promoted. If a female student is pregnant, or a male student fathers the child of a KCHS student, the parents/guardians or the involved students must contact the administration to inform the school of the situation. As circumstances widely differ, the administration, parents and student(s) will meet to determine what course of action will best respect the life of the unborn child, the good of the mother and father and the mission of the school. Female students who become pregnant, or male students who father the child of a KCHS student will not be asked to withdraw from school; however, the school does reserve the right to explore alternative educational arrangements that guarantee alignment with the mission of KCHS and meet the needs of the students.

RENWEB AND MOODLE: RenWeb is the KCHS School Information System (SIS) and the official record of grades, disciplinary information, class schedules, and other information such as school-wide calendar and announcements. Parents and students will register for individual RenWeb accounts. Moodle is the KCHS Learning Management System (LMS) used to deliver course content such as homework, lesson plans, and quizzes. All students will be issued a Moodle login. Parents who wish to view their student's Moodle account should obtain login information from the student.

To notify RenWeb of a change of an email address or personal information:

- Log onto your RenWeb account and under 'Family Information', click on 'Family Demographic Form.'
- Click on the tab for the person whose information will be edited.
- Update all information as needed and click on "Save".

Changes to the 'Family Information' may only be completed via a parent RenWeb account.

MOODLE REQUIREMENTS AND SCHOOL CLOSURE: Teachers who have consistently used Moodle throughout the course to post assignments, or who have clearly communicated and reminded students of posting policies in ample time before a school closure, may choose to post assignments during school closure events (e.g., illness/weather). It is the student's responsibility to complete the teacher's clearly posted assignments on time.

SEARCHES: The school has the right to search lockers. In concern for safety, KCHS also reserves the right to search all vehicles, belongings and backpacks. Random locker searches are conducted on a

routine basis. At the request of the President or the Dean of Students, law enforcement officials may be asked to conduct random searches of school property and grounds.

SNOW DAY POLICY: In cases of inclement weather, **KCHS will NOT follow Knox County**. Parents will be notified about school closings and delayed opening via RenWeb's Parent Alert call system. If inclement weather arrives when school is already in session for the day, parents will be notified through RenWeb's Parent Alert call system. Parents are kindly asked not to call the school.

A one hour delayed opening on Wednesdays means that classes will start at 10:02 after break.

MONSIGNOR THONI AWARDS: Knoxville Catholic High School is pleased to recognize students throughout the school year who excel in the eyes of the faculty and staff. The criteria for selecting students include specific actions that promote the values set forth in our school motto: *Ut Christum Feram* (That I May Bear Christ). These values may include, but are not limited to, spirituality, character, attitude, work ethic, service, spirit, or a random act of kindness or demonstrated concern for others by a student. This is not an academic award, and in fact, excelling in academics may not enter into the final decision at all. Students may not win in consecutive academic years. Students are nominated by members of the faculty and staff, and winners are announced at All School Mass.

Ordained in 1949, Monsignor Thoni had assignments in parishes and schools across Tennessee for more than six decades. From 1952 through 1956, he was a teacher, basketball coach, and eventual athletic director at KCHS. Monsignor Thoni was one of the most beloved faculty members in the school's nearly 80-year history, and long after his departure he was often seen at athletic events and as a celebrant for reunion Masses.

In 1967 Father Thoni began his military career as a chaplain in the United States Army. He completed two tours in Vietnam and retired as Lieutenant Colonel in 1989, having won the Bronze Star and the Commendation Medal for "exceptionally meritorious service." In 1991, the Army called him back to active duty in Operation Desert Storm. Monsignor Thoni saw the world as a priest and helped many come to know the love of Jesus Christ.

TAILGATING: Student tailgating before sporting events is allowed; however, open fires for grilling are not allowed. Students may not reserve spaces and must park appropriately (no sideways parking). In order to preserve the privilege to tailgate, students are responsible for cleaning up any litter associated with the festivities. All body painting or painting of banners must be done on a grassy area. Any presence or consumption of alcohol while on school grounds is a violation of school policy and will result in disciplinary action.

TEXTBOOKS: As part of the Book Rental Program, all textbooks will be issued to students at the beginning of the course. Any associated workbooks or manuals will also be issued. The student should put his name on the inside front cover. No other writing is allowed in textbooks. In the event of lost or damaged books, replacement books will be issued from the KCHS bookstore and payment will be required for the lost or damaged book. The fee charged will be the full price for replacement plus shipping and handling charges. Textbooks must be returned to the course instructor or KCHS bookstore at the end of the course.

Second sets of textbooks are available for a fee to students with Student Support Plans (SSP). Limited numbers of textbooks are available for a fee for students who do not have an SSP but would like a second book in select classes.

TUITION: KCHS contracts with FACTS Management Co. to offer 4 payment options for payment of your KCHS Tuition. You may also include your Activity Fee and Book Rental Fee in your FACTS payment. New families will be responsible for creating their on-line account with FACTS. Re-enrollment families will automatically be re-enrolled on FACTS each year. Tuition accounts must be kept current. **KCHS reserves the right to hold schedules for the upcoming year if balances remain from the previous school year.**

The options for payment are listed below:

1. **Monthly Payment Plan:** This option allows the responsible party to budget payments over 10 months beginning in July and ending in April. You may select the 5th or 20th for your payment withdrawal date. FACTS will collect a one-time annual \$45.00 charge for this service.
2. **Quarterly Payment Plan:** This option allows the responsible party to budget payments to be withdrawn on the 5th or 20th of July, October, January, and April. FACTS will collect a one-time annual \$45.00 charge for this service.
3. **Semi Annual Payment Plan:** This option allows the responsible party to budget payments to be withdrawn on the 5th or 20th of July and January. FACTS will collect a one-time annual \$10.00 charge for this service.
4. **Annual Payment Plan:** This option allows the responsible party to budget one annual payment to be withdrawn on the 5th or 20th of July. **There is no charge for this service.**

You will select the option to make your FACTS payments by electronic bank draft from your checking or savings account, or you may select to make your FACTS payments by credit card.

**A 2.85% convenience fee will be assessed on each credit card payment.

**Note that a debit card is treated as a credit card.

You may also choose to make a down payment directly to the school before your FACTS payments begin in order to reduce the amount of your monthly payments. Information about the FACTS payment plan is available in the KCHS Business Office or by contacting the FACTS Parent Help Line at 1-866-441-4637.

Supplemental tuition support for Catholic families may be available from the Knoxville Regional Catholic Schools Fund based on financial need. Knoxville Regional Catholic Schools Fund, through their evaluators, review the online applications and manage the money available, with the assistance of each Parish Pastor. It is the family's responsibility to apply for Tuition support through the FACTS on-line "Grant and Aid" system by the given deadline. KCHS will announce the deadline information with an all school e-mail in late Fall. **Knoxville Regional Catholic Schools Fund must receive the completed online application by the deadline.**

(**The online process is also available in Spanish, and there are also evaluators who are fluent in Spanish to assist you in the process.)

WITHDRAWAL POLICY: In the event of withdrawal from KCHS, tuition charges from the beginning of the year through the remainder of the quarter will be due and payable on the date of withdrawal. Activity Fees and Book Rental Fees are neither refundable nor pro-rated and are also due on the date of withdrawal. Transcripts may be held by the school until payment is received. If a KCHS family's account is in arrears the account could be referred to a collection agency.

SENIOR CLEARANCE FOR GRADUATION POLICY: The KCHS Business Office will review each family account prior to graduation to insure all balances are Paid in Full. The Business office must sign-off on each Senior Student's clearance form, in order for the student to participate in graduation, receive their diploma, and receive final transcripts.

VISITORS: All visitors (i.e., parents, guardians, students from other schools, guest lecturers, and any other persons present during the school day) must report to the Main Office upon entering the building and sign the Visitors' Log. All visitors must park on the flag pole side of the campus in the designated visitor parking spaces. Visitors must wear a VISITOR badge, obtainable in the front office. ***DSP # 1650***

If a student invites a visitor to school for lunch or for the day, a parent or guardian must sign a permission slip. If the visitor is a minor, a permission slip from the visitor's parent or guardian must be presented as well. The school reserves the right to give final approval for any outside visits. All requests for student visitors must be approved by the Administration at least two days in advance of the visit. Visitors will not be allowed on days that public schools are not in session.

ATHLETICS

KCHS athletics provide a visible reminder of our identity as a Catholic community through an abiding sense of Christ's presence in self and others. The virtues of respect, courtesy, discipline and responsibility are required of coaches, athletes and fans.

KCHS is committed to providing the best possible athletic program. The KCHS athletic programs promote community within the school, reinforce self-discipline, self-esteem and confidence, promote both high team and high personal standards, and encourage fulfillment of team and individual potential.

TSSAA FINANCIAL ASSISTANCE OR SUPPORT RESTRICTIONS: Due to TSSAA bylaw changes, students who are receiving any form of supplemental tuition support or assistance will be ineligible to play all TSSAA sport at any level, including freshmen, junior varsity and varsity. Students receiving aid may practice with a team but are prohibited from dressing out for games per the TSSAA. Students receiving financial aid may play the following Non-TSSAA sports: lacrosse, swimming and diving, cheerleading and dance.

ACADEMIC REQUIREMENTS FOR PARTICIPATION/ATHLETIC PROBATION

KCHS is a member of TSSAA. TSSAA regulations govern eligibility in athletics. According to TSSAA policy, a student must pass five subjects the semester prior to participation. Students on KCHS Academic Probation are eligible to participate in athletics.

ATTENDANCE REQUIREMENTS FOR PARTICIPATION

On the day of a sporting event (practice or game), a student must be in classes at least half of that day in order to participate in the event. If a student arrives late, after 11:46 a.m., or is dismissed early, before 11:44 a.m., s/he is not eligible to participate in the event scheduled for that day. Final determination of a student athlete's participation rests with the Administration.

DRUG AND ALCOHOL POLICY: Please refer to the KCHS Substance Abuse Policy in this publication for information regarding athletic participation due to policy violations.

FEES, CLOTH CHARGES AND LOST EQUIPMENT

KCHS athletes incur the following expenses:

1. Participation Fee (\$200): Established for any student that plays at least one sport. This fee helps to cover the expenses of operating the program.
2. Cloth Charges: Some of the programs in the Knoxville Catholic High School Athletic Department sell items of clothing and equipment to the players, which they are permitted to keep at season's end. These are general items, which are unable to be reused by players in succeeding seasons.
3. Other Out-of-Pocket Costs: Other out-of-pocket costs may include, but are not limited to:
 - a. Out-of-town Tournament Play
 - b. Play-off/State Tournament Expense
 - c. Fundraising (See fundraising in this section)

COMMUNICATIONS

Communication students and parents should expect from the coach

- Philosophy of the coach
- Expectations the coach has for individual players and the team
- Locations and times of all practices and contests
- Team requirements for special equipment or out-of-season conditioning
- Procedure to be followed by parents and student in case of injury
- Discipline that may result in denial of participation privileges

Appropriate concerns for Students and Parent to discuss with Coaches

- Athlete's mental and physical treatment
- Suggestions for the athlete's improvement
- Concerns about the athlete's behavior.

Issues not appropriate to discuss with Coaches

- Playing time
- Team strategy
- Play calling
- Other student athletes

There are situations that may require a conference between the coach and the parent. Attempts to confront a coach before or after a game or practice can be emotional for the athlete, the parent and coach. Meetings under these circumstances do not promote resolution.

The Athletic Director will address any unusual or mitigating circumstances that may arise and also any situation that may not be covered in the handbook.

TSSAA RULES ON RECRUITMENT

Knoxville Catholic High School competes in the TSSAA which has rules regarding recruitment. While we know that our parents are our greatest advocates in terms of promoting the total Catholic High experience to other families in the community, it is important to remember the following items with regard to promoting KCHS to others:

Article 17 - TSSAA By laws: *Athletic recruiting is prohibited. Athletic recruiting is the use of influence on a student or the parents or guardians of a student, by any person(s) directly or indirectly associated with the school, to secure or retain a student for athletic purposes.* In other words, as a parent it is okay to promote the total educational experience of KCHS to a prospective family in the community. However, if undue influence is used to secure a student or family for athletic purposes solely, then this is a violation. Please keep this in mind as you promote KCHS to others.

FUNDRAISING

School Policy 1.03.04 states the standard policies and procedures for fundraising are as follows:

The President has the exclusive authority to determine those activities that are considered to be fundraising.

*Fundraising includes, but is not limited to soliciting funds or soliciting, procuring or purchasing goods or services on behalf of or in the name of Knoxville Catholic High School.

MEDICAL INSURANCE

Knoxville Catholic High School provides insurance for all athletes while practicing for, competing in, or traveling to and from athletic contests as a representative of KCHS. The school insurance is **supplemental** or **secondary** insurance with payments made only after the primary carrier makes payment. This policy is for medical bills resulting from accidents and is subject to specific limitations and exclusions. Accidents must be reported within twenty days (20) to the school.

For the supplemental insurance to take effect, the insured athlete must be treated within sixty (60) days of the accident and parents must first file a claim with their own insurance program and file a supplemental claim within ninety (90) days after the treatment ends. Only expenses incurred within fifty-two (52) weeks of the date of the original accident are considered.

The Business Office will assist in the filing of claim forms, but the ultimate responsibility of filing and receiving payments of claims rests with the parents. (Claim forms can be obtained in the Business Office.)

NCAA ELIGIBILITY FACTS

Any student athlete interested in participating in college athletics should see his/her guidance counselor during junior year to determine his/ her GPA status and to begin NCAA Clearinghouse requirements. Any questions concerning NCAA requirements can be directed to the student athlete's guidance counselor and/or the Athletic Director. Students must sign a permission form to authorize guidance counselors to submit a transcript.

SPORTS PHYSICALS

Diocesan Policy 3001 states that students wishing to try out for any school-sanctioned athletic activity must provide written documentation of a recent physical examination. Sports physicals must

be dated after May 1 for the following school year. Sport physical forms can be obtained in the school office or from the athletic trainer.

No athlete will be allowed to participate in any athletic program at KCHS without a current sports physical on file in the athletic trainer's office.

Transportation will be provided at the discretion of the coach based on the budget, nature of the event and size of the team; otherwise, it is the responsibility of the parent to transport the athlete to and from the competition. When a bus is provided as a means of transportation to the competition site, an athlete may ride home with his/her parents after the competition with the coach's permission. Students who drive themselves and other students to a practice or event site do so at their own risk.

TRYOUTS

Participation in athletics at Knoxville Catholic High School is an interscholastic rather than intramural endeavor. Roster spots on teams are earned through hard work, dedication, and ability. One of the most difficult tasks for coaches is that of team selection. In many cases, the number of student athletes who desire to participate is greater than the number of spots available on our teams. Each coach will hold at least two tryout sessions.

UNIFORMS

Uniforms are issued to athletes when available. Please follow the cleaning instructions on the label. Athletes are expected to return them clean and in good condition. Parents may be expected to pay for the replacement of the uniform if it is returned in disrepair or if it is not returned at all.

*Rules and Regulations set forth in this publication may be altered and amended as determined appropriate by the President. Any student with behavior on **or off campus** that does not uphold the high standards of Knoxville Catholic High School may be subject to disciplinary action or dismissal.*
