

KNOXVILLE CATHOLIC HIGH SCHOOL

SCHOOL INFORMATION SYSTEM & LEARNING MANAGEMENT SYSTEM INFORMATION

RENWEB/PARENTSWEB

Knoxville Catholic High School utilizes the school information system **ParentsWeb**.

ParentsWeb is a private and secure portal that allows parents and students to access attendance records, grades, and the school calendar as well as communicate with school staff. ParentsWeb may be accessed at www.knoxvillecatholic.com, at www.renweb.com or via the mobile app. For more information, view the ParentsWeb video at <https://youtu.be/vJlbvr-Xrqc>.

MOODLE

Knoxville Catholic also uses the **Moodle** learning management system to deliver course content such as quizzes, lesson plans, homework, and more. Each student has a Moodle login, and parents who wish to view Moodle content may do so through the student's account. Moodle may be accessed at www.knoxvillecatholic.com, <http://kchs-tn.moodle.renweb.com> or through the Moodle mobile app. For more information, view the Moodle video at <https://youtu.be/QEc9wugdCMo>.
